REMARKS

In the Office Action, the Examiner noted that Figure 12 is contained in the drawings but is not listed in the Brief Description of the Drawings in the specification. By this response, a new paragraph [0023.1] has been added to the specification describing Figure 12. Support for addition of such figure description is found at page 37, paragraph [00139], of the originally filed application. In the process of preparing this response, Applicant noted a minor typographical error in paragraph [00139] and it has also been amended herein.

CONCLUSION

For all the reasons advanced above, Applicant respectfully submits that the application is in condition for allowance, and action to that end is respectfully requested. If the Examiner's next anticipated action is to be anything other than a Notice of Allowance, the undersigned respectfully requests a telephone interview before issuance of any such subsequent action.

Respectfully submitted,
